

Wilson's Creek Public School - Catastrophic Fire Warning

1. Wilson's Creek Public School is situated in a high-risk bush fire area and listed on the High-Risk Register maintained by the Rural Fire Service.
2. In the event of the New South Wales Rural Fire Service declaring a *Catastrophic Fire Warning*:

- Wilson's Creek Public School **will be closed** for the period of that warning.
3. Families will be advised of this closure by:
 - A posting on the school website
 - A note will be sent home
 4. In the event that the warning is issued after school hours:
 - A clear message will be placed on the school notice board
 5. Students will be accommodated at Mullumbimby Public School for the duration of the warning.
 6. Students not attending school for the duration of the warning can access a package of work from the school website.
